

Pastor Search Committee Minutes

04/11/2022

Scripture: Philippians 1:9-11

Prayer by Deacon Eddie Wyatt

Decided to go to the congregation every month with updates from the Search Committee.

Spoke with the candidate in Philadelphia that's interested in being the senior pastor of Calvary.

They had a long discussion with the pastor from New Jersey and his requests.

The out of state candidates will have to take care all their expenses.

The candidate from New Jersey will take care of all his expenses and he will preach on June 12th.

Also discussed one preacher that wanted to preach but was told we are only working with the candidates that are requesting the pastor's position.

Rev. Michael Ross submitted his resume. He will preach the first Sunday in May.

Discussed Women's Day. Minister Tiffany Jackson will preach on the third Sunday in May for Women's Day.

There are eleven candidates that we have in our pool.

Will discussed how many times to listen to the candidates. It was decided to listen twice.

Also, preachers can bring good messages, but what else have they done in their churches and community to build up the kingdom of God. How have they increased their children's ministry?

The Search Committee will make the final decision concerning who the final three are, but we would take recommendations from the congregation.

Pastor Emeritus Smith will have input concerning the final candidates.

Final three will receive a background check and credit check.
