We had 21 Candidates that has applied.

12 candidates are still in the pool.

We Discussed Guidelines for selecting the final three.

Those that are interested, can look at the resumes to get a better idea of what each candidate can offer our church according to

what they have done at their church and in the community. We want them to understand, its not just about how good a candidate can preach, but about their care and concern for the members and community.

The Search Committee, deacons and leaders will narrow down to the three final candidates.

Any leader can stop by the church office to look over resumes.

We will not receive anymore resumes after July 1st 2022.
